

**The Zonta Club of Traverse City Presents**

## **Leadership Grand Traverse Partial Scholarship**

Zonta is a local and international organization of executives and professionals working together to advance the status of women worldwide through service and advocacy. We envision a world in which women's rights are recognized as human rights and women are able to achieve their full potential. It is our goal that every woman is literate; has access to education, health care, legal and economic resources; and no woman lives in fear of violence.

If you are a woman applying for the 2012 Leadership Grand Traverse program, you can apply for a \$400 partial scholarship to apply towards tuition.
